PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

At the Twenty-Fifth (25th) AGM of Advancecon held on 16 June 2022, the Company had obtained its shareholders' approval for the authority to purchase its own shares of up to ten percent (10%) of the total number of issued shares of our Company. The aforesaid shareholders' approval shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 26th AGM unless such authority is renewed by an ordinary resolution to be passed by the shareholders at the forthcoming 26th AGM.

On 20 April 2023, Advancecon had announced that the Company is proposing to seek approval from its shareholders for the Proposed Renewal of Share Buy-Back Authority at the 26th AGM of the Company.

The purpose of this Statement is to provide you with the details of the Proposed Renewal of Share Buy-Back Authority, together with the Board's recommendation and to seek your approval for the Proposed Renewal of Share Buy-Back Authority to be tabled as a Special Business at our forthcoming 26th AGM. The Notice of the 26th AGM and the Proxy Form are enclosed in the Company's Annual Report 2022.

YOU ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY TO BE TABLED AS A SPECIAL BUSINESS AT THE FORTHCOMING 26TH AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority, if granted, will provide the Company with the renewed authority to purchase up to ten percent (10%) of the total number of issued shares of the Company at the point of purchase through the Company's appointed stockbroker(s) as approved by Bursa Securities. The purchases pursuant to the Proposed Renewal of Share Buy-Back Authority will be effected on Bursa Securities subject to compliance with Section 127 of the Act, the Listing Requirements and the prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of the purchase.

The actual number of Advancecon Shares to be purchased and the timing of such purchase will depend on (among others) the prevailing equity market conditions and sentiments of the stock market as well as the balances in retained profits, and the financial resources available to the Company at the time of the purchase(s).

The Proposed Renewal of Share Buy-Back Authority, if approved, shall be effective upon the passing of the resolution at the forthcoming 26th AGM of Advancecon until:

- (a) the conclusion of the next AGM of the Company at which time the authority shall lapse unless by ordinary resolution passed at that AGM, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (c) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first, but shall not prejudice the completion of purchase(s) by the Company before the aforesaid expiry date and, in any event, in accordance with the provisions of the Listing Requirements and any other relevant authorities.

For illustrative purposes, as at LPD, the total number of issued shares of the Company stood at 492,756,000 Shares. Assuming that (i) no further Shares are issued; and (ii) no options or Shares are granted to any eligible executives of the Group under the ESOS as at the LPD, the maximum number of Shares that can be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority is 49,275,600 Shares.

For the avoidance of doubt, for illustrative purposes throughout this Statement including the proforma effects as disclosed in Section 4 below, we have not taken into account:

- (i) any grant of options or Shares to the eligible employees and/or Directors of the Group after the LPD;
- (ii) any purchase of Shares by Advancecon pursuant to the share buy-back authority approved by shareholders at 26th AGM, after the LPD; and
- (iii) any issuance of additional Shares pursuant to Sections 75 and 76 of the Act after the LPD.

Pursuant to Paragraph 12.17 of the Listing Requirements, the Company may only purchase its own shares at a price which is not more than fifteen per centum (15%) above the weighted average market price of the shares for the past five (5) market days immediately preceding the date of purchase.

2.1 Status and Treatment of Treasury Shares

Pursuant to the provisions of Section 127(7) of the Act, the Board may, at its discretion, deal with the Purchased Shares in the following manner as may be permitted by the Act, rules, regulations, guidelines, requirements and/or orders of Bursa Securities and any other relevant authorities for the time being in force:

- (i) cancel all or part of the Purchased Shares; and/or
- (ii) retain the Purchased Shares as Treasury Shares; and/or

- (iii) retain part of the Purchased Shares as Treasury Shares and cancel the remainder; and/or
- (iv) distribute the Treasury Shares as share dividends to shareholders of the Company; and/or
- (v) resell the Treasury Shares on Bursa Securities in accordance with the relevant rules of Bursa Securities; and/or
- (vi) transfer the Treasury Shares for the purposes of or under an employees' share scheme established by the Company; and/or
- (vii) transfer the Treasury Shares as purchase consideration; and/or
- (viii) sell, transfer or otherwise use the Treasury Shares for such other purposes as the Minister may by order prescribe,

or in any other manner as may be prescribed by the Act, the applicable laws, regulations and guidelines applied from time to time by Bursa Securities and/or any other relevant authority for the time being in force and that the authority to deal with the Purchased Shares shall continue to be valid until all the Purchased Shares have been dealt with by the Directors.

The decision whether to retain the Purchased Shares as Treasury Shares, or to cancel the Purchased Shares or a combination of both, will be made by the Board at the appropriate time.

In the event the Company ceases to hold all or part of the Purchased Shares as a result of the above, the Company may further purchase such additional number of Shares provided that the total Purchased Shares (including Shares held as Treasury Shares) does not exceed ten percent (10%) of the total number of issued shares of the Company at the time of such purchase(s).

While the Purchased Shares are held as Treasury Shares, the rights attached to them as to voting, dividends and participation in other distributions or otherwise are suspended and the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including the determination of substantial shareholding, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the results of a vote on a resolution at a general meeting.

2.2 Source of Funds

Paragraph 12.10(1) of the Listing Requirements stipulates that the Proposed Renewal of Share Buy-Back Authority must be made wholly out of the retained profits of the Company.

Therefore, the Board proposes that the maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority shall not exceed the retained profits of the Company. Based on the audited financial statements for the year ended 31 December 2022, the Company has an accumulated losses of RM10,775,405.

The Proposed Renewal of Share Buy-Back Authority, if implemented, is expected to be financed by internally generated funds and/or bank borrowings. In the event the Company decides to utilise bank borrowings to finance the Proposed Renewal of Share Buy-Back Authority, the Board will ensure that the Company has sufficient financial capability to repay the bank borrowings and that such repayment will not have a material impact on the cash flow of the Company.

The amount of funds to be utilised will depend on the actual number of Shares to be purchased, the price of the Shares and the availability of funds involved for each purchase(s) will depend on the market conditions and sentiments of the stock market as well as the retained profits and financial resources available to the Group.

2.3 Pricing

Pursuant to the provisions of the Listing Requirements, the Company may only purchase its own shares on Bursa Securities at a price which is not more than fifteen per centum (15%) above the weighted average market price for Advancecon Shares for the five (5) market days immediately preceding the date of purchase.

In the case of resale or transfer of Purchased Shares held as Treasury Shares, the Company may only resell the Treasury Shares or transfer Treasury Shares pursuant to Section 127(7) of the Act at:

- (a) a price which is not less than the weighted average market price of the shares for the past five (5) market days immediately prior to the date of resale or transfer; or
- (b) a discounted price of not more than five per centum (5%) to the weighted average market price of the shares for the past five (5) market days immediately prior to the date of resale or transfer provided that:
 - the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - the resale or transfer price is not less than the cost of purchase of the shares being resold or transferred.

In accordance with Paragraph 12.26 of the Listing Requirements, the Company may purchase its own shares in odd lots, i.e. any number of its own shares which is less than the number of shares prescribed by Bursa Securities as a board lot through direct business transaction or in any other manner as may be approved by Bursa Securities in accordance with such requirements as may be prescribed or imposed by Bursa Securities.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The implementation of the Proposed Renewal of Share Buy-Back Authority is envisaged to benefit the Company and its shareholders as follows:

- (a) the Company is able to utilise its surplus financial resources more efficiently. If implemented, this may help to stabilise the supply and demand of the Advancecon Shares traded on Bursa Securities and thereby support its fundamental value.
- (b) the EPS of Advancecon Shares and the return on equity of the Company is expected to improve as a result of a reduced share capital base.
- (c) the Purchased Shares retained as Treasury Shares provide the Board with an option to resell the treasury shares at a higher price and generate capital gains for the Company.
- (d) the Purchased Shares retained as Treasury Shares can be distributed as share dividends to the shareholders as a reward.
- (e) the financial resources of the Company will increase if the Purchased Shares held as Treasury Shares are resold at prices higher than the purchase price.

4. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

On the assumption that the Proposed Renewal of Share Buy-Back Authority is carried out in full, the effects of the Proposed Renewal of Share Buy-Back Authority on the share capital, NA, working capital, EPS and dividend of the Company, assuming the purchase of own shares are up to the maximum ten per centum (10%) of the total number of issued shares of Advancecon, are set out below:

4.1 Share Capital

The effects of the Proposed Renewal of Share Buy-Back Authority on the issued share capital of Advancecon will depend on the treatment of the Purchased Shares.

In the event the Proposed Renewal of Share Buy-Back Authority is carried out in full and all the Purchased Shares are cancelled, the present issued share capital of the Company will be reduced by the number of shares so cancelled, the effect shall be as follows:

	No. of Shares
Issued share capital as at LPD	492,756,000
Assuming the shares purchased are cancelled (up to 10% of the total number of issued shares) (including 9,381,300 treasury shares held by the Company as at LPD)	(49,275,600)
Resultant total number of issued shares	443,480,400

If the Purchased Shares are retained as treasury shares, the Proposed Renewal of Share Buy-Back Authority will not have any effect on the issued share capital of the Company. However, the rights attached to the treasury shares as to voting, dividends and participation in other distribution or otherwise would be suspended.

4.2 NA, NA Per Share and Gearing

The effect of the Proposed Renewal of Share Buy-Back Authority on the consolidated NA per share of the Group will depend on the purchase prices, number of the Purchased Shares, treatment of the Purchased Shares and the effective funding cost to the Group to finance such purchases and/or any loss in interest income to the Group, if internally generated funds are utilised.

The Proposed Renewal of Share Buy-Back Authority will reduce the NA per share at the time of purchase if the purchase price exceeds the NA per share and conversely, will increase the NA per share at the time of purchase if the purchase price is less than the NA per share.

If the Treasury Shares are resold at a gain, the NA per share would increase and, conversely, the NA per share would decrease if the Treasury Shares are resold at a loss.

If the Treasury Shares are distributed to shareholders as share dividends, the consolidated NA per Share of the Group would decrease.

The effects of the Proposed Renewal of Share Buy-Back Authority on the gearing of the Group will depend on the proportion of borrowing utilised to fund the purchase of the Purchased Shares.

4.3 Earnings and EPS

The effect of the Proposed Renewal of Share Buy-Back Authority on the EPS of the Group will depend on the number of the Purchased Shares, the purchase prices of the Purchased Shares and the effective funding cost to finance such purchases and/or loss in interest income to the Group, if internally generated funds are utilised. The Proposed Renewal of Share Buy-Back Authority may increase the EPS of the Advancecon Group if the Company realises a gain from the resale. Similarly, if the Purchased Shares are treated as Treasury Shares and subsequently resold, the extent of the effect to the earnings of the Advancecon Group will depend on the actual selling price, the number of Treasury Shares resold and the effective gain or interest savings arising from the exercises.

Assuming that the Advancecon Shares purchased are retained as Treasury Shares and resold, the effects on the earnings of the Group will depend on the actual selling price, the number of Treasury Shares resold and the effective gain or interest savings from the exercise.

4.4 Working Capital

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital of the Group, the quantum of which depending on, amongst others, the number of Advancecon Shares purchased, the purchase price of such Advancecon Shares and the funding cost, if any.

However, the cash flow or working capital position of the Company will be restored if the Purchased Shares are resold at least at the purchase price.

4.5 Dividends

The Proposed Renewal of Share Buy-Back Authority may have an impact on the Company's dividend policy as it would reduce the cash available for dividend payment. Nonetheless, the Treasury Shares may be distributed as dividend to the shareholders if the Company so decides.

5. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

The effect of the Proposed Share Buy-Back on the shareholdings of the Directors and the Substantial Shareholders of Advancecon based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders as at the LPD assuming the Proposed Share Buy-Back is undertaken in full by Advancecon, are as follows:

No.		As at the LPD ^(a)				After the Proposed Share Buy-Back ^(b)

3.	Pham Soon Kok	28,413,250	5.878	-	-	28,413,250	6.545	-	-

Notes:

- (a) Calculated based on the existing issued share capital of 492,756,000 Shares and excluding a total of 9,381,300 Advancecon Shares bought back by the Company and retained as treasury shares as at LPD.
- (b) Calculated Based on the issued share capital of 443,480,400 Shares and excluding a total of 9,381,300 Advancecon Shares bought back by the Company and retained as treasury shares as at LPD, under the Minimum Scenario.

6. PUBLIC SHAREHOLDING SPREAD

As at LPD, the public shareholding spread of the Company was 57.10% of its total number of issued shares. The Company will only undertake a share buy-back to the extent that at least 25% of the total issued share capital of Advancecon is held in the hands of public shareholders at all times. The Board is mindful of the requirement and will ensure that the Company complies with the public shareholding spread requirements by refraining from buying back the Company's own shares if the purchase would result in the public shareholding spread falling below 25% of its issued share capital.

7. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority would enable the Company to utilise its financial resources more efficiently especially where there is no immediate use and it may strengthen the consolidated EPS of the Group.
- (b) The Proposed Renewal of Share Buy-Back Authority will also provide the Company with opportunities for potential gains if the Purchased Shares which are retained as Treasury Shares are resold at prices higher than their cost of purchase.
- (c) In any event, the Treasury Shares may also be distributed as share dividends to the shareholders as a reward.
- (d) The Proposed Renewal of Share Buy-Back Authority may also stabilise the supply and demand of Shares traded on Bursa Securities and reduce the volatility of the share prices. The stability of Shares price is important to maintain investors' confidence and may also assist in facilitating future fund raising via the equity market.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority if implemented is expected to temporarily reduce the immediate financial resources of Advancecon Group.
- (b) The Proposed Renewal of Share Buy-Back Authority may also result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposit in interest bearing instruments.
- (c) The Proposed Renewal of Share Buy-Back Authority may also reduce the amount of resources available for distribution to the shareholders of the Company in the form of dividends as funds are utilised to purchase its own Shares.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact. The Board is mindful of the interest of the Company and the shareholders and will be prudent with respect to the above exercise.

8. PURCHASE OF SHARES AND RESALE OF TREASURY SHARES MADE IN THE PREVIOUS TWELVE (12) MONTHS

The Company had not made any purchase of its own shares or resale of its treasury shares in the previous twelve (12) months preceding the date of this Statement.

As at the LPD, the Company held 9,381,300 treasury shares and none of the treasury shares held were resold or cancelled in the preceding twelve (12) months.

9. HISTORICAL SHARE PRICE

3. RATIONALE FOR THE PROPOSED RENEWAL OF RRPTs MANDATE

As such, it is anticipated that the renewal of RRPTs would occur on a frequent and recurrent basis.

3. MATERIAL COMMITMENTS AND CONTINGENT LIABILITIES

	RM'000

4. MATERIAL LITIGATION, CLAIMS AND ARBITRATION

Save as disclosed below, the Company is not engaged in any material litigation, claims or arbitration either as a plaintiff or defendant, and the Board of Directors is not aware of any proceedings, pending or threatened, against the Company or of any fact likely to give rise to any proceedings which might materially or adversely affect the position or business of the Company:

Spring Energy Sdn. Bhd. ("SESB" or "the Defendant") a wholly owned subsidiary of Spring Energy Resources Berhad (a 51%-owned subsidiary of Advancecon) had on 19 April 2021 received a Writ of Summon and Statement of Claim both dated 16 April 2021 filed by the Plaintiffs under Shah Alam High Court Civil Suit No. BA23NCVC-24/04/2021 ("Suit 24"). Persatuan Penduduk Bukit Damar Dengkil and SESB had earlier entered into an agreement to construct the Link Road & Access Road and earthwork at Lot 281 & 282 of Kampung Bukit Damar. The Plaintiffs are claiming that the work carried out by SESB was done without their consent, that the work has caused damages and/or variation to the quality or nature to their lands. Therefore, the Plaintiffs have filed the Writ of Summons and Statement of Claim against SESB to claim for the purported losses and/or damages suffered by them including the purported decrease in the value of their lands.

Pursuant to the Writ of Summons and Statement of Claim, the Plaintiffs are claiming from SESB for the sum of RM3,966,065.18 being the alleged specific damages suffered by the Plaintiffs due to the purported damages and/or variation to the quality or nature caused to their lands by SESB which carried out construction work without the consent of the Plaintiffs. SESB then raised a Third Party Claim against Persatuan Penduduk Bukit Damar Dengkil, Dato' Mohamad Hussin bin Semail and Muhammad Faizal bin M. Hairi ("Third Parties") to indemnify SESB for any losses and/or damages suffered by SESB as a result of the Plaintiffs' claim on the basis that the Third Parties have breached the agreement and/or failed to obtain the consent from the Plaintiffs and/or have fraudulently or negligently misrepresented SESB that they have obtained the consent from all the landowners of Lot 281 and Lot 282 for SESB to commence the work. The Third Parties filed an application to strike out SESB's Third Party Claim on 6 August 2021 ("Strike Out Application").

On 3 November 2021 for hearing of the Strike Out Application, the High Court allowed the Strike Out Application due to technical irregularity and the High Court fixed case management for the main suit (i.e. Suit 24) on 17 November 2021.

The Court during the case management on 17 November 2021 directed the parties to file and serve 'Tabulated Summary of the parties' positions and arguments on the issues and sub-issues' and submit list of witness and Witness Statement by 4 January 2022. The Court then fixed the next case management on 6 January 2022 to fix the trial date.

During the case management on 17 November 2021, SESB informed the Court that SESB will file an appeal against the High Court's decision in striking out the SESB's Third Party Claim against Dato' Mohamad Hussin bin Semail and Muhammad Faizal bin M. Hairi and will file a leave application to add the office bearer (i.e the Chairman) of Persatuan Penduduk Bukit Damar Dengkil as Third Party to the Suit 24.

SESB then filed Notice of Appeal in Court of Appeal on 18 November 2021. The case management for the Appeal was fixed on 7 January 2022.

On 30 November 2021, SESB filed in Shah Alam High Court the Notice of Application to seek leave to add the office-bearer of Persatuan Penduduk Bukit Damar Dengkil as Third Party and the Affidavit in Support ("Leave Application"). The Court fixed the case management before the Judge on 17 December 2021.

During the case management on 17 December 2021, the Court fixed the hearing for the Leave Application on 6 January 2022 before the Judge. The Court had on 6 January 2022 disallowed the Leave Application and fixed the Trial dates on 21 July 2022, 22 July 2022 and 25 July 2022, during the case management.

SESB had on 9 February 2022 requested to withdraw the appeal against the High Court's decision in striking out the SESB's Third Party Claim against Dato' Mohamad Hussin bin Semail and Muhammad Faizal bin M. Hairi and the Court has vacated the hearing on 10 March 2022 as the Parties had reached a consensus for withdrawal with costs of RM500 to be paid by SESB. SESB had on 8 March 2022 filed the Writ of Summons and Statement of Claim against Dato' Mohamed Dahan Bin Abdul Latif, being sued in the capacity of the Chairman/ Office-bearer of Persatuan Penduduk Bukit Damar Dengkil for breach of contract and against Mohamad Hussin bin Semail and Muhammad Faizal bin M.Hairi in personal capacity under the tort of deceit and misrepresentation under the Suit No. BA-22NCVC-99-03/2022 ("Suit 99").

The defendants in the Suit 99 (namely, Dato' Mohamed Dahan Bin Abdul Latif, being sued in the capacity of the Chairman/ Office-bearer for Persatuan Penduduk Bukit Damar Dengkil, Mohamad Hussin bin Semail and Muhammad Faizal bin M.Hairi) filed a striking out application on 25 April 2022 and the High Court reserved its decision until 9 August 2022 after the hearing and which was subsequently rescheduled to 17 August 2022.

On 15 July 2022, the High Court allowed the consolidation application by SESB with cost in the case and Suit 24 was transferred and consolidated with Suit 99.

On 17 August 2022, the High Court in Suit 99 directed SESB to amend the Writ and also Statement of Claim against the 1st Defendant as Dato' Mohamad Dahan Bin Abdul Latif was no longer the chairman of the Persatuan Penduduk Bukit Damar Dengkil so that it will not affect the execution of judgment (if any) in future in the event that SESB have succeeded in the case. However, the High Court subsequently suggested for SESB to withdraw its suit (i.e. Suit 99) since the Plaintiffs' claim (i.e. Suit 24) has been moved to the same court and that the Plaintiffs' claim (i.e. Suit 24) should be the main suit and not the Suit 99. Therefore, the High Court has suggested SESB to file a 3rd party notice in the Plaintiffs' claim (i.e. Suit 24) to sue the current chairman of the Persatuan Penduduk Bukit Damar Dengkil (i.e. Muhammad Faizal bin M.Hairi) and the other 2 individuals (i.e. Mohamad Hussin bin Semail and Muhammad Faizal bin M.Hairi, in their own capacity).

Therefore, in compliance with the court's directions, the Suit 99 has been withdrawn with no order as to costs and with liberty to file afresh. Further, SESB has also filed an application for leave to add the Persatuan Penduduk Bukit Damar Dengkil and the other 2 individuals as third party to Suit 24 on 6 September 2022.

The court has on 15 September 2022 allowed SESB's application for leave to add the 3rd parties (Enclosure 109). The 3rd Party Notice has also been filed and served to the relevant parties on 29 September 2022. The 3rd parties have entered appearance on 11 October 2022.

During the case management on 18 October 2022, the court has given the directives for the parties to finalise the pleadings for Third party Proceedings. The next Case Management is fixed on 7 December 2022 for the parties to finalise the pleadings for Third Parties' Proceedings.

The Statement of Claim against the Third Parties' Proceedings has been filed on 31 October 2022. The Defence has been filed by the Third Parties on 11 November 2022 and the Third parties have also filed a striking out application on 11 November 2022. SESB has filed the Reply to the Defence and Affidavit in reply to oppose to the striking out application on 29 November 2022.

During the Case Management on 7 December 2022, the court has directed the parties to file the necessary cause papers for the Third Party proceedings and the pre-trial documents for the main proceedings before 8 February 2023, and has fixed a Case Management for this matter on 8 February 2023.

On 8 February 2023, the Third Parties have filed the striking out application and the court has fixed the hearing date on 5 April 2023. Subsequently, the Hearing has been vacated by the High Court and rescheduled to 15 June 2023.
