**PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

---

**1. INTRODUCTION**

At the Twenty-Second (22<sup>nd</sup>) AGM of Advancecon held on 20 June 2019, the Company had obtained its shareholders' approval for the authority to purchase its own shares of up to ten percent (10%) of the total number of issued shares of our Company. The aforesaid shareholders' approval shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 23<sup>rd</sup> AGM unless such authority is renewed by an ordinary resolution to be passed by the shareholders at the forthcoming 23<sup>rd</sup> AGM.

On 20 May 2020, Advancecon had announced that the Company is proposing to seek approval from its shareholders for the Proposed Renewal of Share Buy-Back Authority at the 23<sup>rd</sup> AGM of the Company.

The purpose of this Statement is to provide you with the details of the Proposed Renewal of Share Buy-Back Authority, together with the Board's recommendation and to seek your approval for the Proposed Renewal of Share Buy-Back Authority to be tabled as a Special Business at our forthcoming 23<sup>rd</sup> AGM. The Notice of the 23<sup>rd</sup> AGM and the Form of Proxy are enclosed in the Company's Annual Report 2019.

**YOU ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY TO BE TABLED AS A SPECIAL BUSINESS AT THE FORTHCOMING 23<sup>RD</sup> AGM.**

**2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The Proposed Renewal of Share Buy-Back Authority, if granted, will provide the Company with the renewed authority to purchase up to ten percent (10%) of the total number of issued shares of the Company at the point of purchase through the Company's appointed stockbroker(s) as approved by Bursa Securities. The purchases pursuant to the Proposed Renewal of Share Buy-Back Authority will be effected on Bursa Securities subject to compliance with Section 127 of the Act, the Listing Requirements and the prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of the purchase.

The actual number of Advancecon Shares to be purchased and the timing of such purchase will depend on (among others) the prevailing equity market conditions and sentiments of the stock market as well as the balances in retained profits, and the financial resources available to the Company at the time of the purchase(s).

The Proposed Renewal of Share Buy-Back Authority, if approved, shall be effective upon the passing of the resolution at the forthcoming 23<sup>rd</sup> AGM of Advancecon until:

- (a) the conclusion of the next AGM of the Company at which time the authority shall lapse unless by ordinary resolution passed at that AGM, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (c) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first, but shall not prejudice the completion of purchase(s) by the Company before the aforesaid expiry date and, in any event, in accordance with the provisions of the Listing Requirements and any other relevant authorities.

For illustrative purposes, as at LPD, the total number of issued shares of the Company stood at 403,928,000 Shares. Assuming that (i) no further Shares are issued; and (ii) no options or Shares are granted to any eligible executives of the Group under the ESOS as at the LPD, the maximum number of Shares that can be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority is 40,392,800 Shares.

For the avoidance of doubt, for illustrative purposes throughout this Statement including the proforma effects as disclosed in Section 4 below, we have not taken into account:

- (i) any grant of options or Shares to the eligible employees and/or Directors of the Group after the LPD;
- (ii) any purchase of Shares by Advancecon pursuant to the share buy-back authority approved by shareholders at 23<sup>rd</sup> AGM, after the LPD; and
- (iii) any issuance of additional Shares pursuant to Sections 75 and 76 of the Act after the LPD.

Pursuant to Paragraph 12.17 of the Listing Requirements, the Company may only purchase its own shares at a price which is not more than fifteen per centum (15%) above the weighted average market price of the shares for the past five (5) market days immediately preceding the date of purchase.

## **2.1 Status and Treatment of Treasury Shares**

Pursuant to the provisions of Section 127(7) of the Act, the Board may, at its discretion, deal with the Purchased Shares in the following manner as may be permitted by the Act, rules, regulations, guidelines, requirements and/or orders of Bursa Securities and any other relevant authorities for the time being in force:

- (i) cancel all or part of the Purchased Shares; and/or
- (ii) retain the Purchased Shares as Treasury Shares; and/or
- (iii) retain part of the Purchased Shares as Treasury Shares and cancel the remainder; and/or
- (iv) distribute the Treasury Shares as share dividends to shareholders of the Company; and/or

- (v) resell the Treasury Shares on Bursa Securities in accordance with the relevant rules of Bursa Securities; and/or
- (vi) transfer the Treasury Shares for the purposes of or under an employees' share scheme established by the Company; and/or
- (vii) transfer the Treasury shares as purchase consideration; and/or
- (viii) sell, transfer or otherwise use the Treasury Shares for such other purposes as the Minister may by order prescribe,

or in any other manner as may be prescribed by the Act, the applicable laws, regulations and guidelines applied from time to time by Bursa Securities and/or any other relevant authority for the time being in force and that the authority to deal with the Purchased Shares shall continue to be valid until all the Purchased Shares have been dealt with by the Directors.

The decision whether to retain the Purchased Shares as Treasury Shares, or to cancel the Purchased Shares or a combination of both, will be made by the Board at the appropriate time.

In the event the Company ceases to hold all or part of the Purchased Shares as a result of the above, the Company may further purchase such additional number of Shares provided that the total Purchased Shares (including Shares held as Treasury Shares) does not exceed ten percent (10%) of the total number of issued shares of the Company at the time of such purchase(s).

While the Purchased Shares are held as Treasury Shares, the rights attached to them as to voting, dividends and participation in other distributions or otherwise are suspended and the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including the determination of substantial shareholding, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the results of a vote on a resolution at a general meeting.

## **2.2 Source of Funds**

Paragraph 12.10(1) of the Listing Requirements stipulates that the Proposed Renewal of Share Buy-Back Authority must be made wholly out of the retained profits of the Company.

Therefore, the Board proposes that the maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority shall not exceed the retained profits of the Company. Based on the audited financial statements for the year ended 31 December 2019, the Company has a retained profit of RM8,634,139.00

The Proposed Renewal of Share Buy-Back Authority, if implemented, is expected to be financed by internally generated funds and/or bank borrowings. In the event the Company decides to utilise bank borrowings to finance the Proposed Renewal of Share Buy-Back Authority, the Board will ensure that the Company has sufficient financial capability to repay the bank borrowings and that such repayment will not have a material impact on the cash flow of the Company.

The amount of funds to be utilised will depend on the actual number of Shares to be purchased, the price of the Shares and the availability of funds involved for each purchase(s) will depend on the market conditions and sentiments of the stock market as well as the retained profits and financial resources available to the Group.

## **2.3 Pricing**

Pursuant to the provisions of the Listing Requirements, the Company may only purchase its own shares on Bursa Securities at a price which is not more than fifteen per centum (15%) above the weighted average market price for Advancecon Shares for the five (5) market days immediately preceding the date of purchase.

In the case of resale or transfer of Purchased Shares held as Treasury Shares, the Company may only resell the Treasury Shares or transfer Treasury Shares pursuant to Section 127(7) of the Act at:

- (a) a price which is not less than the weighted average market price of the shares for the past five (5) market days immediately prior to the date of resale or transfer; or
- (b) a discounted price of not more than five per centum (5%) to the weighted average market price of the shares for the past five (5) market days immediately prior to the date of resale or transfer provided that:
  - the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
  - the resale or transfer price is not less than the cost of purchase of the shares being resold or transferred.

In accordance with Paragraph 12.26 of the Listing Requirements, the Company may purchase its own shares in odd lots, i.e. any number of its own shares which is less than the number of shares prescribed by Bursa Securities as a board lot through direct business transaction or in any other manner as may be approved by Bursa Securities in accordance with such requirements as may be prescribed or imposed by Bursa Securities.

## **3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The implementation of the Proposed Renewal of Share Buy-Back Authority is envisaged to benefit the Company and its shareholders as follows:

- (a) the Company is able to utilise its surplus financial resources more efficiently. If implemented, this may help to stabilise the supply and demand of the Advancecon Shares traded on Bursa Securities and thereby support its fundamental value.
- (b) the EPS of Advancecon Shares and the return on equity of the Company is expected to improve as a result of a reduced share capital base.

- (c) the Purchased Shares retained as Treasury Shares provide the Board with an option to resell the treasury shares at a higher price and generate capital gains for the Company.
- (d) the Purchased Shares retained as Treasury Shares can be distributed as share dividends to the shareholders as a reward.
- (e) the financial resources of the Company will increase if the Purchased Shares held as Treasury Shares are resold at prices higher than the purchase price.

#### **4. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

On the assumption that the Proposed Renewal of Share Buy-Back Authority is carried out in full, the effects of the Proposed Renewal of Share Buy-Back Authority on the share capital, NA, working capital, EPS and dividend of the Company, assuming the purchase of own shares are up to the maximum ten per centum (10%) of the total number of issued shares of Advancecon, are set out below:

##### **4.1 Share Capital**

The effects of the Proposed Renewal of Share Buy-Back Authority on the issued share capital of Advancecon will depend on the treatment of the Purchased Shares.

In the event the Proposed Renewal of Share Buy-Back Authority is carried out in full and all the Purchased Shares are cancelled, the present issued share capital of the Company will be reduced by the number of shares so cancelled, the effect shall be as follows:

	No. of Shares
Issued share capital as at LPD	403,928,000
Assuming the shares purchased are cancelled (up to 10% of the total number of issued shares) (including 3,755,400 treasury shares held by the company as at LPD)	(40,392,800)
Reduced issued share capital	363,535,200

If the Purchased Shares are retained as treasury shares, the Proposed Renewal of Share Buy-Back Authority will not have any effect on the issued share capital of the Company. However, the rights attached to the treasury shares as to voting, dividends and participation in other distribution or otherwise would be suspended.

##### **4.2 NA, NA Per Share and Gearing**

The effect of the Proposed Renewal of Share Buy-Back Authority on the consolidated NA per share of the Group will depend on the purchase prices, number of the Purchased Shares, treatment of the Purchased Shares and the effective funding cost to the Group to finance such purchases and/or any loss in interest income to the Group, if internally generated funds are utilised.

The Proposed Renewal of Share Buy-Back Authority will reduce the NA per share at the time of purchase if the purchase price exceeds the NA per share and conversely, will increase the NA per share at the time of purchase if the purchase price is less than the NA per share.

If the Treasury Shares are resold at a gain, the NA per share would increase and, conversely, the NA per share would decrease if the Treasury Shares are resold at a loss.

If the Treasury Shares are distributed to shareholders as share dividends, the consolidated NA per Share of the Group would decrease.

The effects of the Proposed Renewal of Share Buy-Back Authority on the gearing of the Group will depend on the proportion of borrowing utilised to fund the purchase of the Purchased Shares. At this juncture, the Directors have not determined whether to use borrowings for purposes of purchasing its own Shares.

#### **4.3 Earnings and EPS**

The effect of the Proposed Renewal of Share Buy-Back Authority on the EPS of the Group will depend on the number of the Purchased Shares, the purchase prices of the Purchased Shares and the effective funding cost to finance such purchases and/or loss in interest income to the Group, if internally generated funds are utilised. The Proposed Renewal of Share Buy-Back Authority may increase the EPS of the Advancecon Group if the Company realises a gain from the resale. Similarly, if the Purchased Shares are treated as Treasury Shares and subsequently resold, the extent of the effect to the earnings of the Advancecon Group will depend on the actual selling price, the number of Treasury Shares resold and the effective gain or interest savings arising from the exercises.

Assuming that the Advancecon Shares purchased are retained as Treasury Shares and resold, the effects on the earnings of the Group will depend on the actual selling price, the number of Treasury Shares resold and the effective gain or interest savings from the exercise.

#### **4.4 Working Capital**

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital of the Group, the quantum of which depending on, amongst others, the number of Advancecon Shares purchased, the purchase price of such Advancecon Shares and the funding cost, if any.

However, the cash flow or working capital position of the Company will be restored if the Purchased Shares are resold at least at the purchase price.

#### **4.5 Dividends**

The Proposed Renewal of Share Buy-Back Authority may have an impact on the Company's dividend policy as it would reduce the cash available for dividend payment. Nonetheless, the Treasury Shares may be distributed as dividend to the shareholders if the Company so decides.

## 5. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

The effect of the Proposed Share Buy-Back on the shareholdings of the Directors and the Substantial Shareholders of Advancecon based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders as at the LPD assuming the Proposed Share Buy-Back is undertaken in full by Advancecon, are as follows:

- (b) *Calculated based on the issued share capital of 363,535,200 Shares assuming that the Proposed Share Buy-Back is carried out in full and all that shares so purchased are held as Treasury Shares.*

## **6. PUBLIC SHAREHOLDING SPREAD**

As at LPD, the public shareholding spread of the Company was 49.84% of its total number of issued shares. The Company will only undertake a share buy-back to the extent that at least 25% of the total issued share capital of Advancecon is held in the hands of public shareholders at all times. The Board is mindful of the requirement and will ensure that the Company complies with the public shareholding spread requirements by refraining from buying back the Company's own shares if the purchase would result in the public shareholding spread falling below 25% of its issued share capital.

## **7. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority would enable the Company to utilise its financial resources more efficiently especially where there is no immediate use and it may strengthen the consolidated EPS of the Group.
- (b) The Proposed Renewal of Share Buy-Back Authority will also provide the Company with opportunities for potential gains if the Purchased Shares which are retained as Treasury Shares are resold at prices higher than their cost of purchase.
- (c) In any event, the Treasury Shares may also be distributed as share dividends to the shareholders as a reward.
- (d) The Proposed Renewal of Share Buy-Back Authority may also stabilise the supply and demand of Shares traded on Bursa Securities and reduce the volatility of the share prices. The stability of Shares price is important to maintain investors' confidence and may also assist in facilitating future fund raising via the equity market.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority if implemented is expected to temporarily reduce the immediate financial resources of Advancecon Group.
- (b) The Proposed Renewal of Share Buy-Back Authority may also result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposit in interest bearing instruments.
- (c) The Proposed Renewal of Share Buy-Back Authority may also reduce the amount of resources available for distribution to the shareholders of the Company in the form of dividends as funds are utilised to purchase its own Shares.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact. The Board is mindful of the interest of the Company and the shareholders and will be prudent with respect to the above exercise.
